**Country codes** are used when dialing an international phone number.

On the other hand, exit codes (also known as international access codes or

IDD International Direct Dialing codes) are used for dialing out of your country.

For example, if you want to call from Anguilla to Afghanistan you must dial: 011 + 93 + phone number.

**\*Rates represent direct dialing to a landline associated with the code listed. Mobile dialing and specific regions within countries may be more or less per minute. For rates to countries and areas not listed here, please contact our office at (208) 326-4331 in Idaho and (775) 755-2301 in Nevada. Full listing of international rates can be found on our website @ [www.filertel.com](http://www.filertel.com)**
